More Than Adoption

Compassion Care

Dogs who aren't considered traditionally adoptable remain in Wee Ones' care.

Palliative Care

Providing comfort and quality of life for dogs with significant medical needs.

Senior for Senior

Connecting senior dogs with senior adopters/fosters.

Assessment & Foster Care

Dogs receive time, assessment and support in foster homes before being matched.

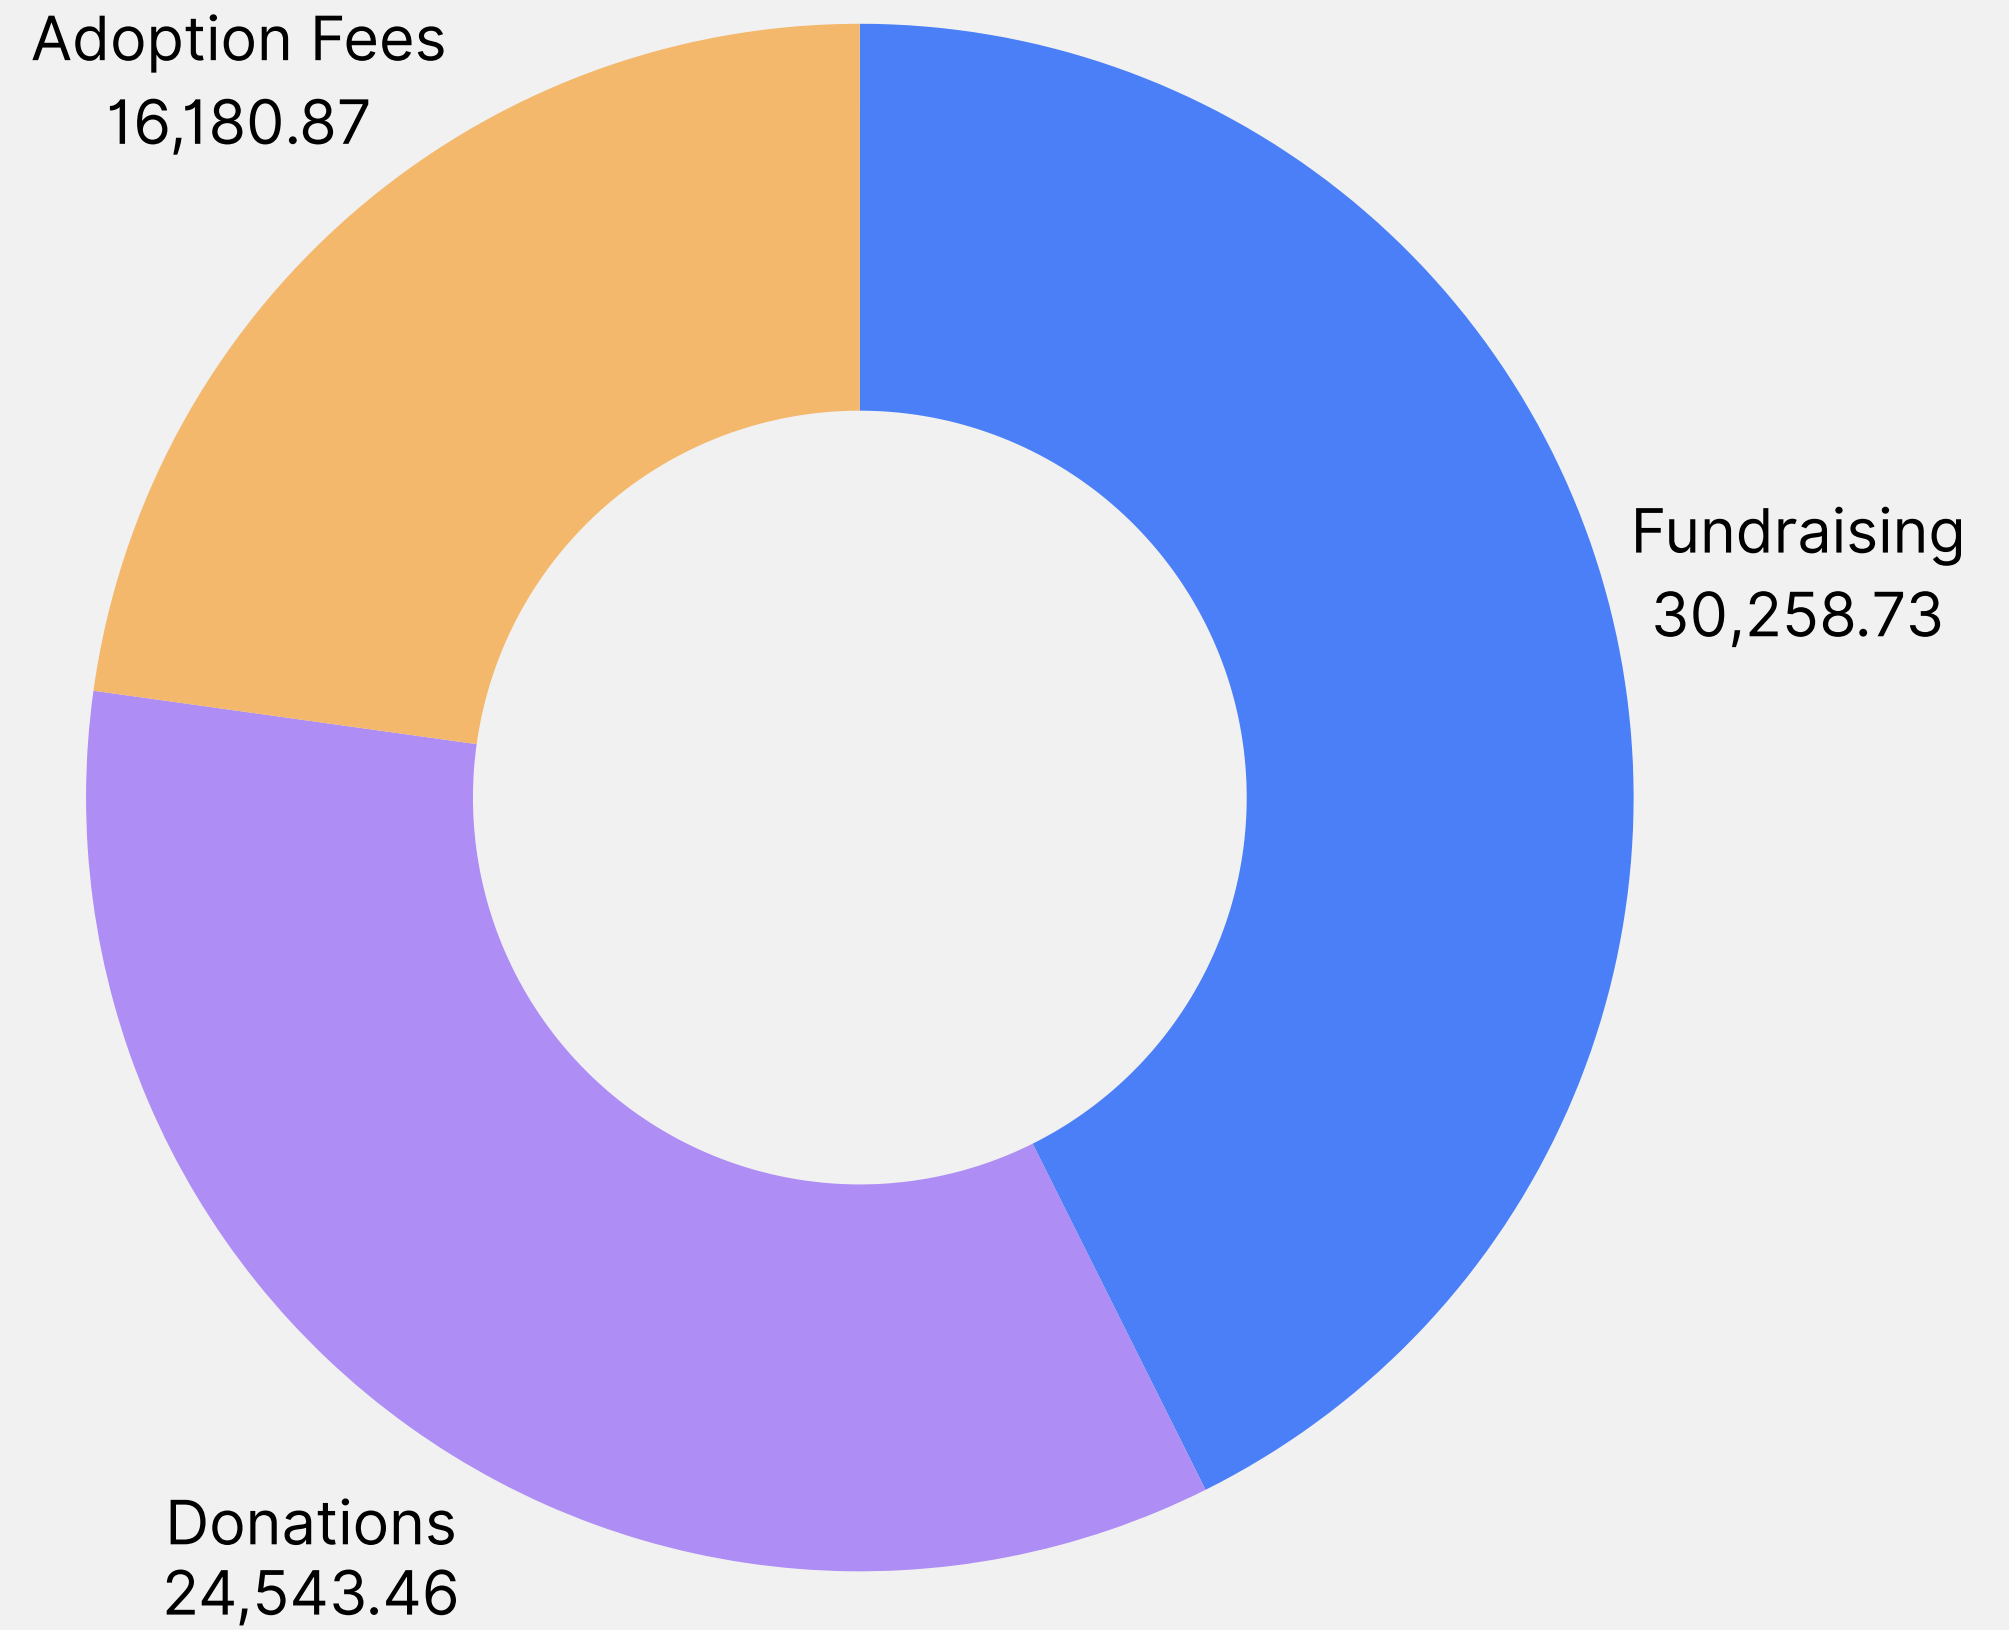

Thank you to our fosters!

COMMUNITY IMPACT

More Than Numbers

This year, we didn't just find homes. We...

- Gave seniors a second chance
- Provided medical care
- Supported dogs with special needs
- Kept dogs with nowhere else to go
- Helped families through difficult surrender decisions
- Built a network of foster homes
- Connected dogs with forever families

"I am both an adopter and a foster with Wee Ones, and I can honestly say it is an incredible organization made up of truly dedicated people. Everyone involved genuinely cares about the well-being of the dogs, from the moment they enter care, throughout their time in foster homes, and long after they have found their forever families."

Lynn Callahan

"Beyond saving dogs, being part of Wee Ones has genuinely helped my mental health. You are surrounded by the best group of like-minded individuals, and they always make you feel valued and included, even letting you help pick the forever homes for the pups you care for. They are more than a rescue; they are a community. "

Morgan Brown

"I adopted my dog Blue (formerly Cola) from Wee Ones in September of 2022. When I say adopting with them was one of the best decisions I've ever made, I mean that."

Shannon Cole

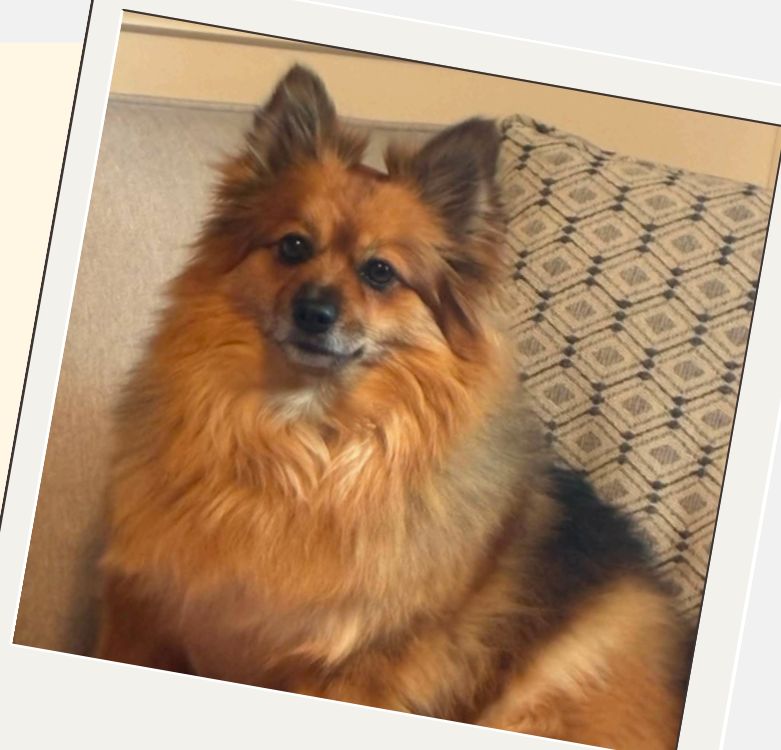

"Wee Ones rescues little breeds and gives them the care, love, and compassion they deserve. Each and every one treated with dignity and given a chance to live the rest of their lives surrounded by loving family."

Robin Arenburg

"It has been two years since we adopted our beautiful Bella from Wee Ones. The experience, from adoption process to actually getting Bella, was a beautiful experience."

Robert Hillman

"Adopted my wonderful dog Kenji here! They truly care and will stay in touch consistently even after adoption is over!"

Grace Monaghan

LOOKING AHEAD

Priorities for 2026–2027

Strengthen recurring revenue

- Expand our Sponsorship program
- Outreach to corporate businesses for sponsorship opportunities
- Plan re-occurring fundraisers based on popularity and revenue

Expand volunteer capacity

- Recruit additional volunteers & foster homes
- Seek out volunteers who can take on bigger roles
- Spread information about volunteering with us

Grow community awareness

- Continue to be active on social media
- Partner up with local businesses to host community events

Thank You!

Thank you to every foster, volunteer, adopter, donor, sponsor, veterinarian, fundraiser and supporter who made this year possible.
